

RSPO Approved HCV Assessors

Listings are valid for one (1) year from the first listing. The expiry dates for individual listings can be found in the last column of the list.

Please note:

The RSPO “NP Guidelines” applicable to new plantings (Principle 7.3) and effective 01 January 2010 require RSPO members to source HCV assessment expertise from this list of RSPO approved assessors.

No.	Name	Affiliation	Approved HCV role	Expertise	Expiry of approval
